¹Inspections include Comprehensive, Partial, and Records Only inspections. Does not include inspections marked "No Inspection".

²Letter investigations may include investigations that subsequently resulted in an on-site inspection

³Inspection was from a programmed inspection list

⁴Not in compliance mean that at least 1 citation was issued as a result of the inspection. That citation may subsequently have been deleted as part of a decision by an administrative law judge or a settlement.

⁵In compliance means no citations were issued as a result of the inspection. In some instances the employer may have been issued an Information Memorandum as a result of the inspection.

⁶Contested means that the employer filed, and the Occupational Safety and Health Appeals Board (OSHAB) accepted, an appeal of at least one of the citations.

⁷Violation numbers/classifications as issued, citations may subsequently have been reclassified or deleted as part of a decision by an administrative law judge or a settlement. Inspections opened within the last 6 months may not have been issued citations yet.

⁸Violation numbers/classifications are based on current information, including changes made during informal conferences and adjudications. Includes cases still under adjudication.

⁹Retained means that the citation was not deleted or reclassified as part of a decision by an administrative law judge or a settlement. The penalty may have been reduced.
