<sup>1</sup>Inspections include Comprehensive, Partial and Records Only inspections. Does not include inspections marked "No Inspection".  
<sup>2</sup>Letter investigations may include investigations that subsequently resulted in an on-site inspection.  
<sup>3</sup>Inspection was from a programmed inspection list.  
<sup>4</sup>Not in compliance means at least one citation or notice was issued as a result of the inspection. Inspections opened within the last 6 months may not have been issued citations yet. These citations may subsequently have been deleted as part of a decision by an administrative law judge or a settlement.  
<sup>5</sup>In compliance means no citations were issued as a result of the inspection. These inspections are closed and in some instances the employer may have issued an Information Memorandum as a result of the inspection.  
<sup>6</sup>Contested means that the employer filed and the Occupational Safety and Health Appeal Board (OSHAB) accepted an appeal of at least one of the citations.  
<sup>7</sup>Violation numbers/classifications as issued, citations may subsequently have been rescinded or deleted as part of a decision by an administrative law judge or a settlement. Inspections opened within the last 6 months may not have been issued citations yet.  
<sup>8</sup>Average values are based only on inspections where at least one violation was issued. Inspections where no violations are not included in the average. Violations classified as Serious, Willful, or Repeat are grouped based on their violation type. Violations not classified as SVR—such as General, Regulatory, or Notice in Lieu—are grouped as Other than Serious.  
<sup>9</sup>Violation numbers/classifications are based on current information, including changes made during informal conferences and adjudications. Includes cases still under adjudication.  
<sup>10</sup>Retained means that the citation was not deleted or reclassified as part of a decision by an administrative law judge or a settlement. The penalty may have been reduced.
