<sup>1</sup>Inspections include Comprehensive, Partial, and Records Only inspections. Does not include inspections marked "No Inspection".

<sup>2</sup>Letter investigations may include investigations that subsequently resulted in an on-site inspection

<sup>3</sup>Inspection was from a programmed inspection list

<sup>4</sup>Not in compliance mean that at least 1 citation was issued as a result of the inspection. That citation may subsequently have been deleted as part of a decision by an administrative law judge or a settlement.

<sup>5</sup>In compliance means no citations were issued as a result of the inspection. In some instances the employer may have been issued a Notice or an Information Memorandum as a result of the inspection.

<sup>6</sup>Contested means that the employer filed, and the Occupational Safety and Health Appeals Board (OSHAB) accepted, an appeal of at least one of the citations.

<sup>7</sup>Violation numbers/classifications as issued, citations may subsequently have been reclassified or deleted as part of a decision by an administrative law judge or a settlement.

<sup>8</sup>Violation numbers/classifications are based on current information, including changes made during informal conferences and adjudications. Includes cases still under adjudication.

<sup>9</sup>Retained means that the citation was not deleted or reclassified as part of a decision by an administrative law judge or a settlement. The penalty may have been reduced.
